JOB DESCRIPTION

Sherborne Summer aims to give each student a great experience and happy memories. The courses are for students aged 8 – 17 from several countries to develop their use of English. They get a taste of life at a British boarding school and, as well as classes in English and drama, they have several other subjects such as history, science, maths and computing. Some students follow academic courses at IGCSE or A levels/IB Diploma. The course has a strong 'fun' element in a caring, friendly environment: the house parent will work closely with the deputy house parent to ensure that the boarding house runs effectively and that the care of the students and staff working in the house is always a priority.
